

Safety Protocols: Latin Tyre Expo & Latin Auto Parts Expo

October 6-8, 2021

Show Safety Guidelines

To prioritize the health and safety of our attendees, the Latin Tyre Expo & Latin Auto Parts Expo will feature numerous safety protocols and measures. While there's no doubt that the 2021 show will be different, the Latin Expo Group team is making plans to sure our exhibitors and buyers can have a valuable business experience in a safety-first environment.

What will the show look like?

In addition to adhering to best practices, the following measures will be implemented by the Latin Tyre Expo & Latin Auto Parts Expo 2021:

1. Require the use of face masks or face shields, frequent hand washing, and social distancing.
2. Require all visitors to confirm upon registering for badges and upon entering the convention center that they are not displaying symptoms of COVID-19, have not recently been exposed to anyone who has tested positive, and reasonably believes that they do not have the virus.
3. Secure venue to allow only qualified registered persons into the convention center.
4. Designate entrance and exit areas to control and screen visitors with discrete daily health queries, incorporating non-invasive thermal cameras, etc.
5. Reduce the number of people at registration by promoting preregistration online before the expo.
6. Configure traffic flow with one-way aisles where possible.

7. Install hand sanitizing stations throughout the expo, 200 feet apart.
8. Enhance physical cleaning with hourly sanitizing of high traffic areas throughout the convention floor and common areas, including doorways, elevators, and escalators.
9. Collaborate with the Amador Convention Center in their advancements and pursuits of certifications for safety measures aimed at outbreak prevention through actions such as sanitizing the facility nightly.
10. Portable hand sanitizers and masks will be available at the entrance and throughout the show floor at no cost to all attendees.
11. Exhibitors will be provided with paper towels and anti-bacterial spray to clean their booth display tables throughout the day and after meetings.

Latin Expo Group staff, contractors, and exhibitors will be REQUIRED to follow all safety protocols, including the use of personal protective equipment at all times, health queries, temperature checks, frequent hand washing, etc. Exhibitor Appointed Contractors (EAC) and will also be REQUIRED to follow safety protocols and guidelines.
